Fresh and refined, this lovely, easygoing sparkler opens with heady scents of white spring wildflower, white stone fruit and a whiff of Mediterranean brush. Savory and crisp, the vibrant palate doles out ripe white peach, green apple and lemon drop alongside small, continuous bubbles. —K.O.

The scents span from acacia blossoms and pink grapefruit to autolytic and bready notes, and the straw yellow color is brilliant and dazzling. A savory, fresh, and balsamic palate with a creamy yet dry and vertical start reverberates with a trail of iodine. — [Judges]
