ERUZIONE 1614 CARRICANTE, SICILIA DOC 2017

Sicily, Italy

93+

POINTS

JULY 2019

This is a blend of 90% Carricante that has been enhanced with 10% Riesling. It is amazing how much range, dimension, depth and overall definition that small percentage of Riesling brings to the table. These two grapes find remarkable harmony in the 2017 Sicilia Carricante Eruzione 1614. The clarity and precise nature of those linear and almost-salty mineral notes found in Carricante are embellished and reinforced by subtle tones of petrol, ginger and beeswax that come from the Riesling. Together, these grapes make for beautiful and impactful aromatic intensity. - M.L.
