Initial smoky notes... subtle but luminous lemon freshness on the nose of this wine. The palate shows exquisite concentration in lemon freshness. It's bone dry, vivid and fresh. Drink until 2045. –A.K.

Solid white with density and searing dryness and minerality that is very impressive with sliced apples, lemons and white peaches. Super energy. Drink now or hold. – J.S.

...Beautiful balance, enfolding a steely spine of acidity with a creamy texture and finely detailed range of baked white peach, Marcona almond, crushed pine and preserved lemon flavors. Long and graceful on the mineral-laced finish... – A.N.
