OCTOBER 2019

Aromas of camphor, rose and star anise mingle with whiffs of woodland berry and tilled earth on the nose. Precise and polished, the elegantly structured palate delivers juicy Marasca cherry, raspberry compote, white pepper and cinnamon, while fine-grained tannins provide support. It's balanced by fresh acidity. Drink 2022-2030. – K.O.

This comes from the 144-acre Fontanafredda cru, which lies entirely within Fontanafredda's estate. It's ripe and plummy, the fruit flavors accented with notes of licorice, menthol and tobacco. Firm, ferrous tannins carry it to a warm, peppery finish. - S.J.
