ALTA LUNA

PINOT GRIGIO DOLOMITI IGT 2016

BACKGROUND

Produced in Northern Italy's Trentino region with grapes sourced from select hillside vineyard sites, Alta Luna offers expressive wines from the region's native and international varietals. Established in 2011, Alta Luna offers wines that appeal to a wide range of consumer preferences. With a name that means "High Moon" in Italian, Alta Luna's sleek and modern packaging features a water-colored depiction of the Dolomite mountains.

APPELLATION

Dolomiti IGT (Trentino), Italy

VARIETAL COMPOSITION

100% Pinot Grigio

TERROIR & VINTAGE NOTES

The Alta Luna vineyards are situated along the foothills of the Adige Valley, bordering Trentino and Alto Adige, in the town of Roverè delle Luna. These high-altitude vineyards benefit from an ideal aspect and unique, well-draining glacial-alluvial soils. The climate in this region makes all the difference. Northern Trentino enjoys warm temperatures in the summer, contributing to the development of ripe concentrated fruit and elegant aromatics, while the cool evenings maintain the fruit's acidity: the result are wines that are refreshing and well-balanced.

WINEMAKING

Grapes are harvested by hand and undergo temperature-controlled fermentation in stainless steel tanks, with a gentle pressing.

TASTING NOTES

Pale straw color. On the nose, persistent and aromatic, offering floral notes and nuances of fresh peach and golden apple. Elegantly structured and well balanced on the palate, with a crisp, refreshing character and a long finish. A delicious accompaniment to fresh fruits, salads, appetizers and seafood.
