

ALTA LUNA

PINOT NOIR DOLOMITI IGT 2017

BACKGROUND

Produced in Northern Italy's Trentino region with grapes sourced from select hillside vineyard sites, Alta Luna offers expressive wines from the region's native and international varieties. Established in 2011, Alta Luna offers wines that appeal to a wide range of consumer preferences. With a name that means "High Moon" in Italian, Alta Luna's sleek and modern packaging features a water-colored depiction of the Dolomite mountains.

APELLATION

Dolomiti IGT (Trentino), Italy

VARIETAL COMPOSITION

100% Pinot Noir

TERROIR & VINTAGE NOTES

The Alta Luna vineyards are situated along the foothills of the Adige Valley, bordering Trentino and Alto Adige, in the town of Roverè delle Luna. These high-altitude vineyards benefit from an ideal aspect and unique, well-draining glacial-alluvial soils. The climate in this region makes all the difference. Northern Trentino enjoys warm temperatures in the summer, contributing to the development of ripe concentrated fruit and elegant aromatics, while the cool evenings maintain the fruit's acidity: the result are wines that are refreshing and well-balanced.

WINEMAKING

Grapes are harvested by hand and undergo a traditional red fermentation in stainless steel tanks, including maceration on the skins for 6-7 days.

TASTING NOTES

Ruby red in color, with brick red nuances. On the nose, cherry, plum, and berry aromas mingle with notes of spice and tobacco. Soft, supple tannins and refreshing acidity are beautifully balanced by ripe cherry fruit flavors on the palate. A delicious match with tuna, salmon, chicken and grilled meats.

WINEMAKER

Anselmo Martini

TECHNICAL DATA

Acidity

TA: 4.8g/L pH: 3.6

Residual Sugar: 3g/L

Alcohol

12.5%
