JANUARY 2018

...A powerful... wine that needs time to shed some of its formidable tannin. Vertical in structure and also quite virile, the 2013 shows the more masculine side of Sangiovese to great effect. The flavors are dark and bold in this authoritative Riserva. – A.G.

A firm and silky wine with chocolate, berry and raspberry character. Medium body, tight and chewy...Shows poise and focus. Drink now. - J.S.
