“SIMPOSIO” VINO NOBILE DOCG 2010

## BACKGROUND

TREROSE’s commitment to Sangiovese, locally called Prugnolo, its unique terroir and its precise viticultural and vinification techniques culminate in the production of distinctive, high quality wines from Tuscany’s historic Vino Nobile di Montepulciano DOCG. The TREROSE estate is located in a picturesque 16th century Tuscan villa, Villa Romizi, on the slopes of Valiano di Montepulciano. The farm in which the villa sits dates back to the Roman times, evidence of which has been preserved in the ruins in front of the villa. The centuries following have all left their mark on this historic property, from the 15th century owner - an important bishop - whose family’s coat of arms is represented in the winery’s logo, to the early 19th century street signs left on the property.

## APPELLATION

Vino Nobile di Montepulciano DOCG, Italy

## VARIETAL COMPOSITION

100% Sangiovese

## TERROIR & VINTAGE NOTES

The Vino Nobile production zone is positioned on a hilly ridge between Val di Chiana and Val d’Orcia at altitudes between 820 and 1900 feet. The climate is largely influenced by the nearby Trasimeno Lake, with soils composed of marine fossils, sandstone, salt rich clay and precious silt deposits.

Today the estate covers 445 acres, of which 193 are under vine. 136 acres are dedicated to the production of Vino Nobile DOCG with the remainder used for production of Rosso di Montepulciano DOC and other wines.

## WINEMAKING

Fermentation takes place at a controlled temperature; maceration lasts over 20 days.

## AGING

The wine matures for 24 months in 50hl Slovenian oak casks before spending an additional twelve months aging in bottle.

## TASTING NOTES

Garnet red in color. On the nose, complex fragrances of spices and minerals with a prevailing note of coffee. Firm structure that opens up to an alternation between sweet and elegant flavors.

## WINEMAKER

Pietro Riccobono
