Elegant... The blend includes 33% cabernet sauvignon and spends a year in barrels (20% new): It's smoky, dark and earthy, with fine cocoa-powder tannins giving the violet scented fruit a lithe line. – T.T.

At once ripe with plenty of cassis, blackberry and blueberry, but also delicate herbal notes, this has a rather complex and delicate nose. Quite a sleek, elegant wine... with fine tannins and nice freshness, carrying the long, focused finish. – J.S.

OCTOBER 2019

...The oak is very nicely integrated and folded into the fruit, and the wine comes through as quite pure and fruit driven, with moderate ripeness and a harmonious palate. This was born as the classical second wine in a Bordeaux sense. – L.G.

...Juicy, energetic and fine-grained, with its dark fruit and chocolate flavors accented by spices and herbs. A classic, rather polished second wine with noteworthy flavor interest, firm tannic spine and very good persistence. – S.T.
