Conde Francesco Marone Cinzano... fell in love with the rustic hills of Caliboro... Given the warm conditions of the area, he also decided to grow some garnacha, barbera, carignan and alicante, which he now uses for this refreshing and lively red, filled with red cherry and strawberry flavors... Pour it with smoked pork chops. – P.T.

Delicious wine with dark fruits, minerals and flowers. Like a top cru Beaujolais. Transparency in fruit. Full body, bright finish. No wood. Lovin' it... A blend of barbera and garnacha. All dry farmed. Drink it! – J.S.
