Spicy berry aromas are mellow... while this blend... is chewy and saturated in feel, with chocolaty richness... Peppery blackberry flavors are well oaked and chocolaty, while this finishes short. —M.S.

JUNE 2018

...Fermented in stainless steel, and around 70% of the volume matured in used barrels for one year. It's juicy and has chewy fruit, a nice mouthfeel, tasty, clean flavors and balanced oak. —L.G.
