

DOMAINES BARONS DE ROTHSCHILD (LAFITE)

BODEGAS CARO

CARO 2016

Mendoza, Argentina

94
POINTS

OCTOBER 2019

...This has very good complexity... It matured in 100% new oak, the oak is very integrated. The barriques are only produced by the Lafite barrel makers, and there is great care in the selection of the wood and the toast; the barrels are designed to produce a more elegant style of wine, subtle and harmonious... This wine is polished and sleek, but there is nice balance to develop nicely in bottle for a good decade. – L.G.
