FEBRUARY 2021

...Opens to a raspberry pink color and a lively appearance that is enhanced by fine beading and a pretty sparkle of light that shines from deep within the wine... A generous, medium-bodied Metodo Classico ...that is aged in bottle for five long years. It presents delicate aromas of wild berry, blue flower, toasted bread and a lifted note of dried mint or mountain herb that appears at the very end. –M.L.

...This is wonderfully perfumed, showing dusty rose and young strawberry, with hints of violets and notes of roasted almond developing in the glass. There's a richness to its round textures, offset by fine bubbles with notes of cherry pit, almond and hints of sweet spice... Tapers off to inner florals and a coating of salty minerality. – E.G.

This has a very fresh and attractive array of soft, red-berry and ripe-peach aromas and flavors on offer. There's a lot of soft fleshy appeal here. Drink now. – J.S.

JUNE 2021

A vibrant sparkling rosé, with rich notes of toasted nut and dried cherry on the nose that transition and become more subtle on palate. Well-meshed, shows a vivid spine of acidity, salty mineral character, and accents of tangerine peel and ground anise and cardamom spice that linger on the finish... Drink now through 2024. –A.N.
