DECEMBER 2019

This vintage is a strong offering. The fruit is from two top South Aussie Cabernet regions: Clare Valley and Coonawarra, and both regions shine through. The nose leads with plums, currants, pencil lead, black olives and oak spice. The palate follows, with lifted tangy and juicy fruit that acts as a counterweight to the fine chalky tannins and oak spice... A varietally expressive drop with a long, brambly finish. - C.P.
