SEPTEMBER 2020

A lush, oaky wine... spent more than two years in barrel before being blended and bottled. It's full-bodied and plush, with evolved, mellow notes of cedar and tobacco layered over soft cassis flavors. It's a cuddly behemoth of a Cab that will keep you warm on a cold winter night... – J.C.

Smooth and lush, with appealing notes of milk chocolate and framboise on a thick and velvety frame, with juicy berry accents and details of vanilla bean, spice and cedar. Shows plenty of harmony. Drink now through 2029. — M.W.

...The nose is a regional expressive combo of ripe plums and dark fruits, coffee, chocolate, ground black pepper, pencil lead and toasty oak... The palate is a neat package of fine tightly wound and slightly woody tannins and fruit... Overall, this is a sturdy, focused wine. – C.P.
