SARACINA SAUVIGNON BLANC *Mendocino County*

- 100% Sauvignon Blanc
- This is made from the Lolonis and Chevalier Vineyards, both Certified Organic. The dry-farmed Lolonis vineyard has some of the oldest Sauvignon Blanc vines in the country, planted in 1942 on Yokayo series (alluvial loam) soils. The clonal material hails from the finest chateau in Sauternes. The Chevalier Vineyard has alluvial soils planted on a bench with a small component of the aromatic Sauvignon Musque.
- Hand-picked, whole-cluster pressed, and barrel fermented with native yeast in neutral French oak barrels. No malolactic fermentation, and the juice remained on the lees just prior to bottling
- Aromas of quince, white nectarine, evergreen and fresh cut grass notes. Clean and invigorating, with flinty minerality. A wine with depth and concentration

SARACINA UNOAKED CHARDONNAY *Mendocino County*

- 100% Chardonnay
- The grapes come entirely from the Saracina ranch. The vines are 40 years old, clone 4, and are planted on soils influenced by the Russian River
- The older vine blocks that comprised the original Sundial Chardonnay are ideally suited for the modern Saracina version of that classic.
- Whole cluster pressed, cool-tank fermented; The wine remained on primary lees for less than three months prior to blending to retain the pure expression of fruit
- Fresh and pronounced ripe yellow nectarine and pear notes without the heavy influence of malolactic fermentation or oak
- This is a pure expression of Chardonnay, a ray of sunshine that carries itself admirably without weight
