MARCH 2021

This medium-bodied wine is graceful and well balanced, offering crisp lemon and green-apple flavors on a rather lean, tangy texture. It is nuanced and complex, and has a nice tension from tantalizing acidity. —J.G.

Well-structured, with a savory snap to the fresh-cut green apple, Asian pear and preserved lemon flavors, ending with hints of honeysuckle on the crisp, savory finish. Drink now through 2023. — K.M.
