

# CHÂTEAU DE MONTFORT

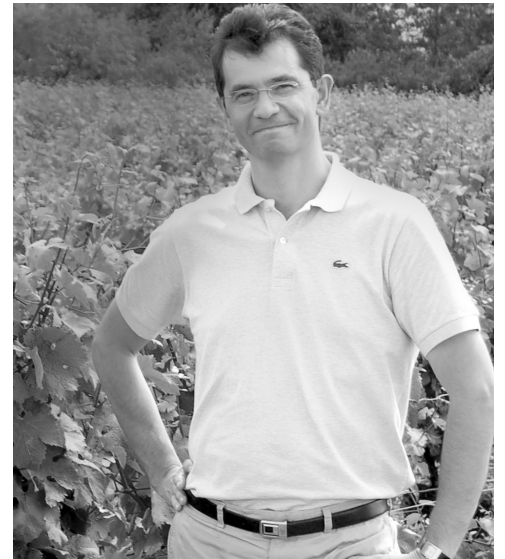

LOIRE VALLEY, FRANCE

Château de Montfort is a stunning estate located on the limestone plateau above the Loire River in the Touraine region. This historic property owns about 75 acres of premium quality land throughout the Vouvray AOC and Touraine AOC.

The estate is somewhat unique in that most of its vines are located surrounding the winemaking facility in one large parcel. Average vine age is over 50 years, limiting yields and providing great concentration and depth in the wine. Château de Montfort is at the forefront of quality standards. The winery is BRC-certified and with an IFS rating of 97.7/100.

- This historical property dates back to the 18th century and consists of 75 acres in the heart of the Touraine-Loire region.
- The contiguous plot is planted on typical and sought-after chalky limestone tufo soil which renders a high complex minerality to the fruit.
- This estate was first introduced over 50 years ago and has remained a staple of the Loire selection in the US market since then.
- Tremendous accolades:  
Crémant Brut Rosé: 91 pts, Wine & Spirits 8/21  
Vouvray 2020: 92 pts, Wine & Spirits 4/22
- Huge value for Method Champenoise Cremants.
