DECEMBER 2019

An almost tropical hint of pineapple hovers amid the juicy pear notes of the nose. On the palate... there almost is a honeyed edge to the pear fruit... rounded, mellow, mild and rich, taking more structure from phenolics than from acidity. The finish is dry and savory. —A.K.

Grassy and gently spicy aromas here. The palate has a smooth and juicy feel with fresh and succulent, banana and pear flavors. Drink now. —J.S.
