CHABLIS GRAND CRU BOUGROS 2017

Chablis Grand Cru, France

Bougros is situated on the west/southwest extremity of the seven grands crus of Chablis. This cuvée comes from a vine located on the top of the slope, so the exposure to the sun is excellent .

Very pleasant with blended flavors of fruit, honeysuckle and mineral notes, this wine is also powerful and structured in the mouth with a very good length.

Serve with a white fish or a risotto with asparagus.

100% Chardonnay
