MASTROBERARDINO

LACRIMAROSA IRPINIA ROSATO DOC 2020

BACKGROUND

The Mastroberardino family, leaders in Italian viticulture, are largely responsible for the revival and elevation of Irpinian and Campanian winemaking post WWII. Their efforts ignited a resurgence in quality red and white wine production in all of Southern Italy. Working primarily with Campania's ancient, native varietals, Fianco, Greco, and Aglianico, Mastroberardino has resuscitated would-be extinct grapes into world class varieties.

Lacrimarosa, meaning pink tears, is named from the method of production, whereby Aglianico grapes are gently pressed, imparting a slight pink color and light, aromatic profile to the wine.
