White spring blossom, exotic fruit and peach aromas shape the enticing nose. It's savory and medium in weight, doling out Meyer lemon, honeydew melon and ripe yellow apple before a tangy saline finish. Bright acidity lifts the juicy flavors. —K.O.

Aromas of honeydew melon, crushed stones, thyme, and dried peaches follow through to a full body with a dense palate and lots of white pepper and spice on the finish.... Drink now. — J.S.

...Savory to the core, with notes of dusty florals, exotic spice, and young pear up front. With time in the glass, it gains richness, taking on green citrus and a hint of hazelnut... A fresh and vibrant display, soothing the senses with ripe, citrus-tinged apple, while stimulating acids and minerals build through the long and zesty finish. — E.G.
