OCTOBER 2021

There's a touch of lychee character to the apple and grapefruit, but the fun comes with the savory, onion-flower and salted-cracker notes. Medium-bodied with good intensity to both the fruity and savory elements... persistent grapefruit and mineral finish... Enjoy now. – J.S.

JANUARY 2022

A refreshing burst of white smoke, sweet spring flowers and green apples wafts up... silky textural fruits, as young mango turns to peach, and savory herbal tones mix with hints of sour lime. It's persistent yet crisp, leaving petty inner florals, tropical citrus and nuances of candied ginger. The 2020 Novaserra is quite complex... – E.G.

Spring blossom, ripe stone fruit and citrus aromas come to the forefront. Reflecting the nose, the vibrant, savory palate delivers ripe peach and juicy grapefruit alongside a vein of saline. A bitter almond note marks the close. —K.O.
