DECEMBER 2021

Super-elegant... lightly peppery black fruit, colored with inky and spicy notes. With aeration, you move into the herbal zone, with fresh bay-leaf, chai and light rosemary. The palate is medium-to full-bodied... ready to burst out... Try from 2024. – J.S.

A tightly knit and concentrated red, with firm yet creamy tannins supporting a layered range of creamed black cherry, raspberry coulis and chocolate pudding, plus details of iron and graphite, spice box and tobacco. Fresh and supple on the palate, with fine-grained tannins framing the finish... -A.N.
