ROSÉ, SICILIA DOC 2019

Sicily, Italy

Lovely aromas of young peach, dried flowers, honeyed almonds, and hints of wild herbs lift from the glass... Presents soft textures, motivated by stimulating acids and minerals, as a note of citrus-tinged green apple settles upon the senses. The finish is clean and fresh, clinging to the senses with notes of citrus and ripe stone fruits, as it slowly tapers off... Disappears from the glass very quickly. - E.G.

A really delicious rosé with crushed-stone, cherry and cooked-peach character. Festive and flavorful. Drink now. Screw cap. – J.S.
