

## JEAN-LUC COLOMBO

“LES GIRELLES” PICPOUL DE PINET 2018

Appellation Picpoul de Pinet Contrôlée, France

Elegant, dry, and succulent possessing a lemon scented, unusual muscular body with a dry but floral finish. This wine is perfect with shellfish and local fare as its high natural acidity accompanies it well, similar to wines from the North such as Melon de Bourgogne that marries with fish of all types.

Lovely as an aperitif or with any seafood appetizers and or seafood main courses. Great with salads, chicken dishes and crab cakes.

100% Picpoul de Pinet
