PINOT GRIGIO TRENTINO DOC 2018

Trentino, Italy

Crisp and refreshing, this bright wine opens with aromas of white stone fruit, spring blossom and beeswax. On the tangy, linear palate, vibrant acidity lifts ripe yellow apple, Bartlett pear and a hint of tangy saline. – K.O.

...Wafts up with a bouquet like human catnip, as tropical citrus, sweet florals, vanilla custard and freshly sliced peach can all be found. It's textural and deep... with mineral-tinged orchard fruits offset by a hint of roasted almond... finishes long and staining, lingering on nuances of baked pear and a hint of ginger... extremely pleasurable. – E.G.
