

GUINAUDEAU, VIGNERONS A POMEROL

## CHÂTEAU LAFLEUR

PENSÉES DE LAFLEUR 2008

Pomerol (Bordeaux), France

...A well-defined, smoke and truffle-tinged bouquet that is pretty and elegant, a wine that has clearly opened up in the last couple of years. The palate is medium-bodied with fine grain tannin, very focused with gentle grip in the mouth. The fruit is on the darker side laced with smoke and black pepper, fanning out gently towards the finish that remains very composed. Excellent. – N.M.
