Cooked lemon, pear tart and some mineral. Fresh herbs and green peppers, too. Medium-to full-bodied with slightly oily texture and a flavorful finish. Drink now. Screw cap. — J.S.

Notes of fresh chevril are bound up in a lovely creaminess on the nose. The creaminess gets center stage on the rounded palate where it forms the textural backdrop to pithy miso saltiness. Roundness and freshness take turns and come to a most savory, yeasty, dry finish.—A.K.

The tropical fruit flavors and aromatic spices are subdued and an accent of multi-grain toast adds dimension. Rich and juicy, ending with a mineral underpinning on the finish. Drink now. —B.S.
