A subtle whiff of crushed citrus foliage sets a tone of aromatic, lifted freshness. The concentration and depth of the freshness on the bone-dry palate carries these aromatic notions in a bold, linear and powerful package. Freshness lets the citrus fruit shine, a real triumph in a hot vintage. Drink until 2050. —A.K.

AUGUST 2021

A graceful white, seamlessly knitting a backbone of fine-chinalike acidity with focused flavors of fresh grapefruit and grapefruit pith, yellow plum, stony mineral and verbena that dance across the lithe palate. Long, mouthwatering finish. Drink now through 2028. — A.N.
