Juicy and focused, with peach and nectarine notes backed by ginger and acacia honey hints. Pretty tasty baby Condrieu. Drink now. — J.M.

Mineral-inflected white peach, pear nectar and succulent flowers on the perfumed nose. Juicy, focused and light on its feet, offering lively orchard and pit fruit flavors that are braced by a refreshingly bitter suggestion of orange pith. Finishes long and taut, leaving a spicy ginger note behind. — J.R.
