JULY 2022

Very enticing nose of ripe peaches and fresh almonds with just a hint of melted butter. Impressive concentration and richness, but so straight and dry, this emphasizing the wine's intense mineral side. That, in turn, underlines the emphatic dryness of the very long finish... -J.S.

MARCH 2023

...A very clear, elegant, refined and fresh, limestone-driven nose of ripe and concentrated fruits. Supple, round and elegant, this is a complex and full-bodied, pretty expressive wine that finishes with power, salinity, intensity and fine tannin bitters.... -S.R.
