...Mingling aromas of pear, white flowers, citrus pith and blanched almonds in an inviting bouquet. Medium to full-bodied, bright and chiseled, with good cut and concentration, it's a well-balanced, precise wine that will age with grace. – W.K.

...Well defined bouquet with flint, citrus peel and yellow flower aromas. The palate is well balanced... salinity that lends tension to the finish. There is a nice kiss of lemongrass on the aftertaste... – N.M.
