

SARACINA

WINTER'S EDGE RED BLEND 2019

Mendocino County, California

The 2019 Winter's Edge is a wine for adventurist spirits and culinary explorers. Blue/black in the glass, it's chock full of old vine character and crunch, with bracing acidity that keeps you coming back for more. Pair it with anything, especially delightful fatty dishes. Braises, plant or animal, would be lovely.
