## GATTINARA RISERVA DOCG 2015

Piedmont, Italy

...Aromatic depth and intensity and the silky impression... The wine is so true to Nebbiolo, with wild cherry and plum backed by tar, spice and powdered licorice... A joyous and fruit-filled exuberance. If you are new to the Gattinara appellation and you love Nebbiolo, you would do well to try this wine (in its trademarked asymmetrical bottle). – M.L.

Aromas of underbrush, camphor and dark spice shape the nose along with a whiff of blue flower. The firmly structured, medium-bodied palate offers dried black cherry, star anise, clove and tobacco framed in tight, close-grained tannins. Drink 2023–2030. –K.O.
