NOVEMBER 2023

...Refined, silky and harmonious, with a core of saline minerality that adds a tactile crunch toward the close... long and dramatic finale, as hints of licorice and a bitter tinge of blackberry seeds punctuate the finale. This is pure seduction. —E.G.

An earthy, meaty version, sporting black cherry, plum, raw beef, iron and bouillon aromas and flavors. The fruit element intensifies on the palate, playing out on a long finish that is balanced and fresh, showing dusty tannins... —B.S.

NOVEMBER 2020

...A landmark wine... Shows dark fruit and spice... leather or cigar ash at the back. This wine is made with organic fruit. It displays a mid-weight mouthfeel with tight tannins and lively acidity, the kind that will cut through your favorite steak dinner. — M.L.

A very polished, refined red with berry and flower aromas, as well as hints of citrus and rose petals. Medium to full body, fine tannins and a juicy finish. Lovely polish. From organically grown grapes... already very pretty.— J.S.
