...A pure expression of Chardonnay that reveals extreme smoothness and silkiness, enhanced by the soft beading that caresses the palate...Excels in terms of its textural offering, showing a creamy, rich and mid-weight texture. There is plenty of fruit in the form of apricot and apple, all backed by baked bread or baguette. The finish is long and fine. –M.L.

...Remarkably fresh from the first tilt of the glass, wafting up with masses of white smoke minerals and dusty florals, notes of crushed yellow apple and savory herbs. A balance of gentle acids, richness and inner sweetness makes for a captivating expression, showing ripe orchard fruits with a hint of brioche and almond. Clean, remarkably fresh and completely satisfying... –E.G.
