

CHÂTEAU GREYSAC

MÉDOC 2016

BACKGROUND

Château Greysac, located in the Médoc hamlet of Begadan, north of St. Estephe, was built in the 1700's. For many years, the property belonged to the late Baron Francois de Gunzburg. In 1975, the property was sold to the Agnelli family, which transformed the estate and its winemaking capabilities significantly. Château Greysac was purchased by Jean Guyon, owner of Domaine Rollan de By, in 2012, joining their exciting portfolio of Bordeaux wines.

Today, the chateau's characteristic style is one of great aromatic finesse, combined with precise, sumptuous fruit flavors that develop in elegance and complexity over time.

APPELLATION

Medoc (Bordeaux), France

VARIETAL COMPOSITION

65% Merlot, 29% Cabernet Sauvignon, 3% Cabernet Franc, 3% Petit Verdot.

TERROIR & VINTAGE NOTES

Chateau Greysac's 68 ha (168 acres) vineyard is located on a clay-gravel hilltop. The vines are an average 35 years old, and the density is 7.500 plants per hectare with Double Guyot pruning. The vineyard is sustainably farmed.

2016 had an exceptionally dry summer. Cooler nights followed mid-September rain, which resulted in small, thick-skinned, ripe grapes. This produced an aromatic wine marked by high tannin and acidity.

WINEMAKING

Pre-fermentation maceration lasts two days and cuvaision for 4-5 weeks after alcoholic fermentation in thermo regulated stainless steel and cement tanks. Malolactic fermentation is in oak.

AGEING

Lees stirring for three months, then aged for 12 months (50% in one year old French oak barrels and 50% in tanks).

TASTING NOTES

Deep ruby garnet with red berry flavors combined with notes of spice, chocolate and bell pepper in the background. Pairs with all meats, poultry, wild mushrooms and strong cheeses.

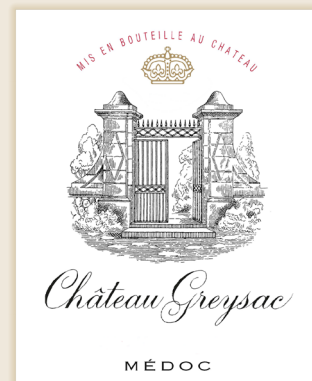

WINEMAKER

Jean Luc Marteau
