CROZES HERMITAGE "LES FÉES BRUNES" 2019

Rhône Valley, France

A solid, forthright version, with well-structured currant and bitter cherry fruit wrapped with savory and bramble notes. An iron note asserts itself on the finish. Drink now through 2027. — J.M.

There's an earthen, granitic edge to crisp, concentrated black-cherry and red currant flavors in this wine... it's full bodied but zesty, with a finish that lingers on fine, peppery tannins. Ready now, it should hold through 2025. —A.I.
