

JEAN-LUC COLOMBO

CONDRIEU "AMOUR DE DIEU" 2018

Rhône Valley, France

...This honeysuckle-scented sip stuns with its piercing tangerine, apricot and lychee exuberance... it's a spicy, cream-textured wine that's irresistible young but should continue to gain complexity through 2030 and longer. —A.I.

Juicy up front, with a mix of quince, yellow apple, anise and nectarine notes that stay focused through the slightly waxy finish. Drink now through 2022. —J.M.
