

DOMAINES BARONS DE ROTHSCHILD LAFITE

LES LÉGENDES

BORDEAUX, FRANCE

The Rothschild family has been producing wine in Bordeaux since 1868. For six generations, they got to know this beautiful landscape and understand the unique traits of the vines from each appellation. Three decades ago, the family was inspired to create a new wine series, where each wine would be the epitome of the appellation it came from.

Their motivation was simple: to ensure wine lovers everywhere could dive into Bordeaux and taste the originality of each appellation. And so, the Les Légendes range was born.

The production of Les Légendes wines is supervised by our oenologist, Diane Flamand. The new Les Légendes range has greatly benefited from Diane's ambition to create long term partnerships with vineyard growers around each appellation. Domaines Barons de Rothschild Lafite has made excellence in wine-making practices the basis of its development. Diane creates wines following the same approach: passion, discipline, humility, excellence and harmony.

For over 150 years, our master winemakers have been crafting the finest Bordeaux wines. Generations of local knowledge have taught our grape growers the secret to creating the most outstanding Pauillac. The wines of Les Légendes Pauillac are partly sourced from our family vineyards, the notorious Chateau Lafite and Chateau Duhart-Milon. The local landscape is almost white in color, due to the light colored pebbles that cover the gravelly soil. It's these different layers of soil that contribute to the complexity of the wine, giving Pauillac its signature, elegant characteristics.
