JANUARY 2022

...Dried flowers, crushed oyster shells and incense giving way to young peaches and hints of exotic spice... tension builds through a mix of saline-minerals and lemon oils toward the close, all under an enriching air of crushed hazelnut. A salty flourish and sour citrus linger... impressive length... – E.G.

OCTOBER 2021

...Mix of dried-herb and jaffa-cake aromas, which persist on the medium palate, growing in intensity towards the finish, thanks to the addition of bright citrus and mineral tinges. This is ready now. – J.S.
