...The immensely dense tannic structure gives the wine a solid feel that is lifted by so much ripe black currant and berry fruits. At the back, the wine has a more brooding, dark character that suggests great aging potential... – R.V.

...Pronounced tobacco and bay leaf notes up front, with a core of steeped plum and currant fruit and a fleshy edge through the charcoal-lined finish. There's some serious buried minerality, which should emerge with cellaring.... – J.M

Love the nose on this, with sweet tobacco, delicate currant, cedar and blackberry. Full body with integrated tannins and a juicy, fruity, subtle finish. The texture to this wine is beautiful... – J.S.

...Very composed on the nose with brambly red fruit, loam, touches of sous-bois (decayed autumn leaves)... medium-bodied with chewy tannins, a little soft in the middle with a fleshy tarry, liquorice-infused finish that just tapers away. Elegant, refined.... -N.M.

...Exhibiting a deep ruby/purple color, lots of crushed rock, red and black currant, forest floor and underbrush characteristics, moderate tannin and medium body... there is a lot of freshness and vibrancy to this vintage. – R.P.
