Aromas of rose petals, raspberries, plums and musk introduce the 2021 Pensées de Lafleur, a medium to full-bodied, seamless and enveloping wine that's deep and sensual, it's ripe tannins entirely concealed in an ample core of succulent, pungently perfumed fruit....-W.K.

...A wonderful bouquet with pure brambly red fruit, light graphite scents and just a touch of the estuary. The palate is beautifully proportioned with fine tannins, quite structured and saline, very mineral-driven and as fresh as a daisy towards the finish. Excellent. -N.M.
