JULY 2023

This wine's brilliant garnet color in the glass is matched by its bright and sunny notes of red fruit—cherries, strawberries and raspberries. A slight earthiness expands on those aromas, with tomato and red pepper accents that are all repeated on the palate. Punchy astringency comes from soil notes and tannins. —D.C.

AUGUST 2022

An aromatic nose of orange peel, dried flowers and baked raspberries. Medium-bodied with fine tannins. Starts out red-fruited and bright, but takes on more herbal and black-tea character... —J.S.
