Blackberry, tar and clove aromas and flavors. Medium body, firm and creamy tannins and a fresh finish. Slightly dry at the end, but delivers attractive fruit and earth character. From organically grown grapes... –J.S.

Deep youthful ruby in colour, this is fresh and spicy in aroma, the fruit showing good energy and vigour in a sour-cherryish mode, the tannins starting to soften into juicy drinkability... Savoury acidity maintains balance and approachability. –A.R.
