Stunning white-peach and floral aromas pour from the glass, pulling you into this juicy yet super elegant dry riesling, in which the power is beautifully underplayed, right through the very long, filigree finish. A very impressive first vintage of this new addition to the Trimbach range. Drink or hold. – J.S.

...Opens with a delicate and clear, terroir-driven nose with elegant and well-balanced, classic fruit. Although fuller in body, this is very fine and focused—even zesty—with notes of grapefruit and shaved ginger framing the core of quince, apple and gooseberry. Petrol note emerges on the long, well-defined finish. —A.Z.
