“RÉSERVE PERSONNELLE” PINOT GRIS 2017

Alsace, France

...Opens with a clear, fresh and aromatic bouquet of fully ripe white fruit with hints of caramel. Mouth-filling and round on the palate, this is a complex and vivaciously mineral Pinot Gris with stimulating grip and tension on the long and powerful yet also elegant, persistently saline and lemony finish. This is a superb Pinot Gris... -S.R.

Aromas and flavors of ripe citrus fruit, wet underbrush, sweet spices and earth tones... Outstanding depth to the baked apple and cinnamon flavors. Finishes long, fresh and very clean, displaying delightful acid-fruit balance. A very pretty, vibrant wine... – I.D.
