TENUTA CASTELBUONO

CARAPACE MONTEFALCO SAGRANTINO DOCG 2017

Umbria, Italy

...Smoky with musky black currants and hints of dried sage and rosemary. It's rich and pliant in feel with medium-bodied textures and lively acidity that helps to motivate its tart wild berry fruits. A coating of fine tannins linger, yet they are sweet and round, allowing nuances of plum and lavender to resonate. – E.G.

This wine's dark fruit flavors are lush and ripe, with a natural sweetness that's enhanced by notes of black pepper and licorice. The tannins are cool and polished, like a streak of graphite that balances the wine's bold ripeness and warm finish. —S.J.
