FEBRUARY 2024

The current-release 2013 vintage features a nose of dried cherries combined with spice and smoke, adding a savoury element. The tannins are still tight but fine-grained, and balanced by the firm, linear acidity. There's weight and breadth on the palate due to the immense fruit concentration, with a persistent finish. Elegant and poised. – M.C.K.

A super, dense core of mixed dried berries, together with notes of caramel and a mix of mild Indian spices, from coriander to mace. Full-bodied with a liqueur-like bead of fruit that's riding abundant but well-integrated tannins through the long, long finish. Excellent and so fresh. Delicious to drink now, or in your centenary year! – J.S.

Features fine, taut tannins that firm the spiced finish. With 10 years of age already, this is still bright and focused, with many years of enjoyment ahead.... –A.N.
